

## Proposed Study Program

Applicant's Name in full

\_\_\_\_\_  
(Family name/Surname)

\_\_\_\_\_  
(First name)

\_\_\_\_\_  
(Middle name)

Nationality

\_\_\_\_\_

*Since graduate research is self-directed, this section will become one of the most important criteria in the selection process.*

*State the academic field of research for your doctoral study as well as the details of your proposed research program.*

*Statement must be typewritten or written in block letters.*

### **Proposed Study Program after Admission**

#### **1. Your Field of Research**

\_\_\_\_\_

#### **2. Title of Your Proposed Doctor's Thesis**

\_\_\_\_\_

#### **3. Details of Your Research Proposal**

Describe details of your research proposal, discussing one possible research topic. (1) Describe the social background of the problem you wish to address to; (2) Explain the significance of your research topic with a brief summary of the discussion in your country; (3) Identify the purpose of your study at this program; and (4) Explain how this research and study connects with what you have done in the past and how it relates to your long-term goals. Your entire statement should be within 1,500 words in English. If necessary, you may use additional sheets. Applicants should not use generative AI tools to generate text or any other content in their application documents.
